Site Plan Instructions (Civil Set)

Please note that two document packages (a Planning Set and a Civil Set) must be submitted with each online application. Miscellaneous documents which are not listed in either of the sets below (such as traffic impact analyses and fixture documents) may be uploaded individually. The type of package or document must be clearly identified in the file name when uploaded.

Civil Document Package

General Template

Each sheet in the plan set shall contain the following:

1. Name of project including "Civil Plan" (e.g. Patriot Estates Civil Plan)
2. 1" x 3" empty box in the lower right hand corner for approval stamp
3. Abbreviated legal description
4. Date of preparation
5. Page number (e.g. 1 of X)
6. Scale and a north arrow pointed to the top of the page

Individual Sheet Requirements

If you have any question as to what these requirements are, please contact the Planning Department at 972-366-3348 extension 206.
