AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF VENUS, TEXAS, AMENDING VENUS CODE OF ORDINANCES CHAPTER 30 TRAFFIC AND VEHICLES, ARTICLE II. SPEED, SECTION 30-31 TO EXPAND THE EXISTING SCHOOL CROSSING ZONES NEAR THE VENUS INDEPENDENT SCHOOL DISTRICT SCHOOL BUILDINGS AND TO REPEAL SECTION 30-33 AS CONFLICTING WITH OTHER PROVISIONS OF CHAPTER 30 TRAFFIC AND VEHICLES, ORDERING PUBLICATION, CONFIRMING OPEN MEETINGS ACT COMPLIANCE, PROVIDING A SEVERABILITY CLAUSE, PROVIDING A REPEALER CLAUSE, AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Venus, Texas (“City”), is a Type A general law city operating pursuant to the laws of the State of Texas, by and through its duly elected council members;

WHEREAS, the City Council (“Council”) of the City serves as the elected governing body of the City directly responsible for the promotion and protection of the public health and safety of its citizens and inhabitants;

WHEREAS, the City is authorized and empowered to adopt and enforce ordinances, not inconsistent with state law, that are necessary to protect the safety of its inhabitants (TEXAS LOCAL GOVERNMENT CODE § 51.012);

WHEREAS, the City is authorized by TEXAS TRANSPORTATION CODE Section 545.356 and TEXAS ADMINISTRATIVE CODE Title 43, Part 1, Chapter 25, Subchapter B, Rule Section 25.24 to alter the prima facie speed limits on an officially designated or marked highway of the state highway system within its municipal boundaries;

WHEREAS, the City is authorized to establish a school crossing zone on a street near a public or private elementary or secondary school during times when children are going to the school or leaving the school to facilitate safe crossing of the children;

WHEREAS, the City, the TEXAS TRANSPORTATION COMMISSION and the Texas Department of Transportation (“TxDOT”) have conducted previous traffic studies of the street and highways of the City to help determine speed limits less than the prima facie speed limits set by the TEXAS TRANSPORTATION CODE;

WHEREAS, the City adopted Ordinances 84, 2-21-1983, 151-91, 11-12-1991, 333-2007 and 8-12-2007, 359-2009, 7-13-2009, 360-2009 and 399-2015 to regulate the speed limits on city streets and highways within the City;

WHEREAS, police and citizen concerns have arisen over the increased number of children walking from developed subdivision areas to the several Venus Independent School District (“VISD”) schools, oftentimes with the students’ path being over congested, narrow roadways where sidewalks are not available and no designated area exists for crossing safely at times;

WHEREAS, the police department has reviewed and monitored the areas around the school properties, namely Farm to Market (F.M.) 157, Bulldog Drive, Locust Street, East County Road 109, Oak Street and Walnut Street to determine how to create a safe way for children to make their way to school without inhibiting travel through the area by motorists;

WHEREAS, police presence, public education and traffic enforcement in the area have not removed the unsafe conditions for children crossing these roadways;

WHEREAS, the city administration team met recently with VISD leadership to review the police department findings and created a comprehensive plan to address the issue which includes the addition crosswalk markings on roadways, employing crossing guards and expanding the already existing school crossing zone to support reduced speed limits during certain hours when children are coming and going from the VISD schools;

WHEREAS, the city administration team took their VISD approved plan for crosswalks and expanding the school crossing zone to TxDOT and earned their endorsement and approval of the plan¹;

WHEREAS, the city, with approval from TxDOT, is responsible for adopting an ordinance in order to alter the prima facie speed limit and expand a school crossing zone²;

WHEREAS, a review of the VENUS CODE OF ORDINANCES revealed that Section 30-33 first adopted in 1983 conflicts with Section 30-31 of Chapter 30, and as Section 30-31 is the controlling section, the City Council finds Section 30-33 should be repealed in its entirety;

WHEREAS, the Council has adopted the CITY OF VENUS CODE OF ORDINANCES, as is permitted by TEXAS LOCAL GOVERNMENT CODE Section 53; and

WHEREAS, the Council hereby finds that the recitals included herein justify the expansion of the school crossing zone on the streets and state highway located at and near the VISD schools as well as the creation of crosswalk(s) in the area to promote the safety of all children traveling to and from school.
