## **PUBLIC NOTICE**

October 15, 2020

It has been brought to the attention of the City of Venus that a citizen who attended the Monday, October 12th council meeting has tested positive for the COVID-19 virus on the morning of Thursday, October 15th. This person is asymptomatic, was wearing a face covering, and there is no evidence to suggest that they were positive at the time the meeting occurred. Please be aware of any signs or symptoms you may be experiencing and report them to your local health authority immediately.
